CHAIRPERSON’S REPORT

I am pleased to present the National Gallery of Australia Foundation Annual Report for 2001-2002.

The past year has been one of expansion and growth with the focus on the Capital Campaign to raise $10 million in cash donations and gifts of works of art. In the financial year 2001–02 we achieved our Campaign target.

This was a remarkable achievement at a challenging time for many businesses and individuals. I wish to thank all of the generous donors who helped achieve this ambitious target, especially the members of the Foundation Board who demonstrated great strength of purpose, commitment and example.

Commitments and contributions received during the year included from Ann Lewis for Turkey Tolson Tjupurrula’s *Straightening spears at Ilyingaungau* 2000, Peter Fay for the gift of numerous works in a range of media including paintings and works on paper from his private collection; Jennifer and John Prescott for Australian art; Sue Cato for John Young’s *Give and take (diptych)* 2001; the Breuer Family for support for Kevin Connor’s *Four figures, Stanley Street* 1998; Graham and Charlene Bradley for contributing Max Dupain’s *Sunbaker* 1937; Dr Gene and Brian Sherman for their contribution to the Contemporary Asian Art Fund; Raphy Star to Asian and Decorative Arts; Hiroko and Andrew Gwinnett to Asian Art which was subsequently applied for the purchase of the Eastern Han dynasty glazed pottery *Watchtower* 25-220; David Thomas for Karen LaMonte’s glass sculpture *Dress 4* 2001; Terrey and Anne Arcus, together with Penelope Seidler, enabled the purchase of Frank Stella’s painting *Flin Flon* 1970, a centrepiece in *The Big Americans* exhibition; Geoff and Vicki Ainsworth for contributing towards the purchase of Leon Kossoff’s *Christ Church Spitalfields, Summer* 1990-93; and Tony and Carol Berg and Family for their contribution of Joan Miro’s *Black and red series* 1938.
The Foundation Board has been actively engaged in a range of activities within and outside the Gallery. Meetings in Canberra have been enhanced greatly by the participation of curators in discussion of all areas of the Collection. Their contribution is deeply appreciated, having been a key factor in enthusing and inspiring the Board in the challenging pursuit of funding for major acquisitions.

Foundation Directors have been generous in hosting a number of functions in Sydney and Melbourne, providing an opportunity for the Gallery to promote its activities and future plans, and widening the circle of friends and supporters of the National Gallery in those cities.

In Sydney the Foundation has embraced the concept of a series of engaging discussions over dinner with writers, business leaders, creative artists and academics. These have proven to be rewarding and highly enjoyable discussions about the world of creativity and ideas which are so essential to a national gallery.

Increased access to the Gallery’s collection was achieved through a record number of loans of works of art, enhanced electronic access to the collection, and the production of a range of exhibitions, publications and public programs.

The Gallery arranged thirty exhibitions and permanent collection changeovers which included: Frida Kahlo, Diego Rivera and Mexican Modernism; Joy Hester and friends; Anne Dangar at Moly-Sabata: Tradition and Innovation; and Modern Australian Women: paintings and prints 1925-1945; the inaugural and well received National Sculpture Prize and Exhibition; Rodin: A Magnificent Obsession; William Robinson: A Retrospective; and the splendid exhibition made possible by the Italian Government The Italians: Three Centuries of Italian Art.

The Board will continue working closely with the Gallery’s curators in securing funding for exemplary works of art, and towards increasing individual collection endowment funds for the National Collection.

My special thanks go to all those new and established donors who gave so generously throughout the year; to the Board members for their extraordinary enthusiasm, commitment and generosity in the work of the Foundation; and to Ms Virginia Henderson AM for her inspired leadership as Executive Director.
Our work was supported wholeheartedly by the Chairperson of the Gallery Council, Mr Harold Mitchell, members of Council and the staff, and I thank them sincerely for their continuing commitment. The Director, Dr Brian Kennedy, has devoted considerable time, inspiration and energy to further our objectives.

INDEPENDENT AUDIT REPORT

To the members of National Gallery of Australia Foundation

Scope

I have audited the financial report of National Gallery of Australia Foundation for the financial year ended 30 June 2002. The financial report comprises:

- Directors’ Declaration;
- Statements of Financial Performance, Financial Position and Cash Flows; and
- Notes to and forming part of the Financial Statements.

The National Gallery of Australia Foundation’s directors are responsible for the financial report. I have conducted an independent audit of the financial report in order to express an opinion on it to the members of National Gallery of Australia Foundation.

The audit has been conducted in accordance with the Australian National Audit Office Auditing Standards, which incorporate the Australian Auditing Standards, to provide reasonable assurance whether the financial report is free of material misstatement. Audit procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements in Australia and statutory requirements so as to present a view which is consistent with my understanding of the National Gallery of Australia Foundation's financial position, and performance as represented by the results of its operations and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.
Qualification

The National Gallery of Australia Foundation raises funds through public donations and various other fund raising activities. The nature of these activities is such that the completeness of revenue is not assured. Accordingly, it is not possible for my examination to include procedures that extend beyond the amounts of such income recorded in the accounting records of the National Gallery of Australia Foundation. However, in my opinion, monies recorded as being received have been properly accounted for by the National Gallery of Australia Foundation.

Qualified Audit Opinion

In my opinion, except for the effects on the financial report of the matter referred to in the qualification paragraph, the financial report of National Gallery of Australia Foundation is in accordance with:

(a) the Corporations Act 2001, including:

(i) giving a true and fair view of the National Gallery of Australia Foundation’s financial position as at 30 June 2002 and of its performance for the year ended on that date; and

(ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001; and

(b) other mandatory professional reporting requirements in Australia.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies which have been applied in the preparation of the Financial Report are:

(a) **Basis of Preparation**
   The Financial Report is a general purpose financial report which has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus views, other authoritative pronouncements of the Australian Accounting Standards Board.
   The Financial Statements are prepared on an accrual basis and in accordance with the historic cost convention and except where stated does not take into account changing money values or current valuation of non-current assets.
   Cost is based on the fair values of the consideration given in exchange for assets.

(b) **Revenue Recognition**
   Interest income is recognised as it accrues. Cash donations are recorded as income at the date the donation is received.

(c) **Cash**
   For the purposes of the Statement of Cash Flows, cash includes deposits at call and cash equivalents (such as commercial bills) which are readily convertible to cash on hand and which are used in the cash management function on a day-to-day basis.

(d) **Receivables**
   Receivables include Commercial Bill Discount Accrued - Discount accrued represents interest income to be received.
   The collectibility of the receivables is assessed at balance date and specific provision is made for any doubtful accounts.
(e) **Financial Instruments**
Disclosure in relation to Financial Instruments are covered in this policy note.

(f) **Cash and Investments**
Cash and investments are carried at the face value of the amounts deposited or drawn. The carrying amount of cash and investments is approximate net fair value. Interest revenue is accrued at the market or contracted rates and is received monthly. Interest rates at 30 June 2002 on cash accounts are 3.7% and for investments are 4.25%.
Commercial Bills mature within 90 days.
Credit Risk is minimised as all cash deposits are held with large banks which have acceptable credit ratings determined by a recognised rating agency.

(g) **Comparative Figures**
Comparative figures have been adjusted to conform to changes in presentation in these Financial Statements where required.

2. **INCOME TAX**
The Foundation is exempt from income tax by virtue of Section 50-5 of the Income Tax Assessment Act (1997) but not from Fringe Benefit Tax and the Goods and Services Tax.

3. **NATIONAL GALLERY OF AUSTRALIA**
Certain expenditure incurred by the National Gallery of Australia on behalf of the Foundation has been re-charged to the Foundation.
The Foundation has received services from the National Gallery of Australia free of charge, for which a monetary value has been determined $203,387 (2001: $167,748). These services were generally administrative in nature and included staff wages and superannuation.
The Foundation donated $3,045,823 (2001: $35,063) to the National Gallery of Australia during the year. Donations consisted of funds used for developing the National Collection of works of art.
