

CELEBRATE THE ART OF JEFFREY SMART WITH A TUSCAN-STYLE LUNCH MENU INSPIRED BY THE GREAT ITALIAN TRATTORIAS SHOWCASING LOCALLY SOURCED AND FRESH PRODUCE.

Australian artist Jeffrey Smart was known for possessing an intoxicating exuberance for good food, good wine and conversation; he was the ultimate host.

'I like everything Italian. I like the offhand way of them. I like the language, and I love spaghetti, and I love the Italian painting, and I like the Italian way of life.'

– Jeffrey Smart in 2005 on living in Tuscany.
