**KEN PRICE  
INTERIOR SERIES**

The Ken Price original hand-printed color silkscreens titled *Interiors* were created at the studios of Gemini G.E.L. from February to October 1971. These six prints, in editions of seventy-five plus proofs, were executed from screens made from both hand-cut stencils and photo half-tone screens. Paper for this series was specially produced for Gemini by Arjomari.

Each print is signed and numbered by the artist and bears the Gemini copyright and chop. Complete detailed print documentation is available upon request. The enclosed photo-offset reproductions represent the quality and color of the handmade prints as closely as possible.
