

Corporate Membership

This year marks one hundred years since the birth of acclaimed Australian artist Jeffrey Smart. One of Australia's most celebrated artists, Smart sought inspiration from the world around him – looking to the environment of urban and industrial modernity – which he transformed through his imaginative sense of theatre and intimate understanding of geometry and composition.

Join us as a *Jeffrey Smart* Corporate Member and contribute to the cultural enrichment of your community. Members enjoy tailored packages to host intimate events within the Gallery.
