Terence La Noue

August Series I, from the August Series, 1991

Colored pressed paper pulp, monoprint, collage, hand-colored

62 ½ " x 63 ¾ " (158.8 x 161.9 cm)

Unique work

Papermaking by Tom Strianese; image molds constructed by Michael Mueller; paper coloring by artist assisted by Strianese; collage elements printed by Lee Funderburg; preparation and adhering of collage elements by Henry McGee and Mueller; varnish sprayed by Mueller.

Signed Terence La Noue and dated in black and blue paint lower right; chop mark lower edge; series identification number lower verso.

Newly made white pulp base sheet with colored pulps and dyes applied through image molds constructed from galvanized metal strips soldered together; molds removed and additional colored pulps and dyes applied freehand; paper pressed and dried; hand-coloring by artist using assorted pastels, crayons, acrylic paint, and graphite; previously printed collage elements adhered; sprayed with MSA (mineral spirits acrylic varnish).
